Application for a Designated Emphasis in Speculative Fictions and Cultures of Science (SFCS)

Two of the three courses may be used to fulfill the requirements in the student’s PhD program. Students must be in a PhD program to participate and the requirements must be completed before they advance to candidacy. A minimum GPA of 3.0 in all courses taken for the designated emphasis (DE) is required for the award of the DE. 100-level courses must be accompanied by an appropriate 292 course, which requires additional readings and research. Any substitutions must be justified by the DE Director in writing prior to enrollment in the course.
